WHY DO WE OFFER A PRE-RIDE COACH TOUR?

In our experience, weather conditions from Nashville are often not great for riding. However we feel it's a pity to be in this part of the US and not see some of the things the area is famous for, such as the Jack Daniels Tour, Grand Ole Opry in Nashville, and in Memphis - Graceland, Sun Studio & Memphis Blues on Beale Street, so we've done a pre-ride coach tour for the past few years.

This has proven to be a great beginning as we tour in a very relaxed and informal way to New Orleans.

From New Orleans the weather is much more predictable and a wonderful ride can be undertaken as we head towards Daytona Beach for the Annual Bike Week Rally. So join us in Nashville and do the full 18 days including the pre-ride coach tour, or join in New Orleans for the 10 day ride....the choice is yours.

If you really want to ride from Nashville, limited options are available.
