THERE'S NOTHING LIKE BEING THERE... FOR THE ANNUAL STURGIS RALLY. DON'T MISS THIS TOUR OF A LIFETIME!

The Sturgis Motorcycle Rally is the experience of a lifetime in a place where local people can still show you a thing or two about hospitality. Harley-Davidson and Victory introduce their new models each year during the Rally and you can demo virtually every kind of bike on the market. As well as bikes there are concerts and races and bike shows, Main St bikes-only street vibe, the Annual Mayor's Ride, World Championship of Custom Bike Building, Sturgis Motorcycle Museum and Hall of Fame, organized rides and the Limpnickie Lot. There's some impressive watering holes such as the Full Throttle Saloon, custom bike legends, blue skies, sunny days. It's all waiting for you in Sturgis and the beautiful Black Hills of South Dakota.

**Day 1. Arrive Las Vegas**

On arrival, you will be met and transferred to the hotel. Later we'll finalise paperwork for our bike rentals. Tonight we'll meet for a welcome dinner to discuss logistics and review maps for the days ahead.

**Day 2. Las Vegas**

Today our transfer vehicle will take us to collect our bikes, followed by an orientation ride around the city to give you a chance to get used to your bikes and gear for the exciting tour ahead.

**Day 3. Las Vegas**

There are no formal rides today. Take the opportunity to discover Las Vegas at your own pace. Perhaps go for a spin, relax by the pool or indulge in the casinos.

**Day 4. Las Vegas to Grand Canyon**

This morning we head to the Grand Canyon, travelling over parts of 'Route 66', the famous roadway that was for many years the main artery for travel between Chicago & LA.

**Day 5. Grand Canyon to Kayenta**

We follow the south rim of the Grand Canyon with stops at various lookouts en route for some spectacular photo opportunities; the grandeur of this natural landscape is truly spectacular. We arrive in Kayenta around 4.00 pm and should have time to ride to Monument Valley.

Cheyenne

Fort Laramie

**Day 6. Kayenta to Grand Junction**

Our ride will take us through the Valley of The Gods, on to Glen Canyon, through Moab to Grand Junction. The scenery from movies such as *Thelma and Louise*, *Indiana Jones* and *Cityslickers* should be familiar to movie buffs.

**Day 7. Grand Junction to Steamboat Springs**

Today's ride takes us on exciting mountain roads into the spectacular scenery of the magnificent Rockies. We arrive at the cowboy ski resort of Steamboat Springs where we spend our evening.

**Day 8. Steamboat Springs to Cheyenne**

Into the Rocky Mountain National Park this morning for some more beautiful scenery; we're also likely to see native wildlife so keep your eyes peeled. We'll follow the Big Thomson River through mountain gorges to our lunch stop at Loveland, where you'll have time to visit the largest Harley dealership in Colorado. Our overnight stop at Cheyenne, the capital of Wyoming, is about an hour's ride from here.

**Day 9. Cheyenne to Rapid City**

We head off to Black Hills National Park stopping at Fort Laramie which was originally established in 1834 as a fur trading post. Then to the seeping vistas of Thunder Basin National Grassland and on into Custer, South Dakota, before arriving in Rapid City in the early evening.

For the next four days we have time to get into the sights, sounds and feel of the world's biggest Harley event in all its glory. Maybe a ride out to Deadwood, Spearfish Canyon, Mount Rushmore and through the Black Hills appeals.

You can also attend the many events such as Thunder Road or the Drag Racing or you can do exactly as you please!

Mt Rushmore

Spearfish Canyon

## Day 14. Rapid City to Buffalo

We bid farewell to Rapid City and Sturgis as we head west towards Wyoming. We'll make a detour to the

Devil's Tower National Monument, rising 1280 ft above the valley floor. If it looks familiar, it was used as the spaceship landing site in *Close Encounters of the Third Kind*. Then to Buffalo, nestled in the foothills of the Bighorn

Mountains. This historic town has many original buildings dating back to the times of the 'Old West'. Not far from here is where Butch Cassidy & the Sundance Kid had their 'hole in the wall' hideout.

## Day 15. Buffalo to Lander

Continuing along the Yellowstone Highway we pass through the fabulous Wind River Canyon and on to the quaint town of Lander. There's time this afternoon to ride out to the Sink Canyon reserve where you can see the river submerge into an underground cavern, re-appearing a mile downstream teeming with fish.

## Day 16. Lander to Salt Lake City

Our ride today is through some of Wyoming's most peaceful countryside. We'll arrive in Salt Lake City mid afternoon and return our bikes.

## Day 17. Salt Lake City to Bonneville Salt Flats

Today we'll be transferred to the famous Bonneville Salt Flats, approximately 1 hour from the city, where we can

discover the excitement of the annual Speed Week event. We have about 2 to 3 hours here to watch contestants attempt to set new land speed records on these intensely hot, shimmering salt flats.

We return to Salt Lake City for our farewell dinner.

*Note: Activities today are subject to confirmation of Speed Week event dates.*

## Day 18. Depart Salt Lake City

We transfer to the airport this afternoon for onward flights. Or, why not extend your stay in the USA?
